RAIN AND SNOW.

May Starts in as a Winter Month.

Snow and ice threaten destruction to the fruit.

The beautiful weather which prevailed the last few days in April had led every one to hope that we would have no more snow and ice this season. The hope, however, was destined to be blasted. On Saturday afternoon a cold, drizzling rain set in, and continued until Sunday morning. When people got out of bed that morning they saw Rich Mountain covered with snow, and serious apprehensions were aroused. In the afternoon snow began to fall very rapidly, but the ground being wet and warm it melted as fast as it fell for several hours.

Just before midnight it began to stay on the ground and accumulate on the trees. On Monday morning when we got up we found the branches of trees bending under loads of snow, and the fruit trees, that were in beautiful bloom a few hours before, shrouded in a white mantle. With the dawn the trees began to unburden themselves and the snow to disappear from the hill sides. Nearly everybody thought all the fruit would be killed, but up to this writing the skies have remained clouded and light showers have occasionally fallen. The result has been that a great deal of the fruit—apples, late cherries and peaches seem to be alive. It is to be hoped that we will have a fairly good fruit crop this year. Nothing contributes more to the comfort and health of a community than plenty of fruit.

At Steelesburg, April 10, at 4 o'clock p. m., by Rev. P. J. Lockhart, Mr. Philip Marcus Alder, of Pounding Mill, and Miss Oakley D. Ferrell. There was a nice gathering of friends and relatives and a very pleasant time. The bride was beautifully attired in cream albatross, trimmed with lace and ribbons. The bridegroom wore a nice suit of black. The bridal party went to Mr. and Mrs. W. B. Steele's, at Pounding Mill, at 6 o'clock, and enjoyed a beautiful repast, with a number of the relatives and friends. Mrs. Steele is a sister of the groom, and the table was just loaded with good things to eat and beautifully decorated. Shortly after supper there was a grand serenade in which some forty persons took an active part and were invited in and treated by the hostess.

On Sunday there was a reception given the bridal party by Mrs. J. Marion McGuire, the mother of Mr. Alder, at Cedar Bluff, where a first-class dinner was enjoyed by a number of relatives and friends. The bride presents were numerous and valuable. Some one said that Mr. Alder and Mr. Robert Williams had agreed that whichever married first should pay the preacher, and Mr. Williams handed him five dollars, which was greatly appreciated by the preacher. Also the preacher's wife received a nice parcel of cake from Mrs. Steele. May prosperity and happiness attend the happy couple and may others do as they have done.

Married.

At Steelesburg, April 10, at 4 o'clock p. m., by Rev. P. J. Lockhart, Mr. Philip Marcus Alder, of Pounding Mill, and Miss Oakley D. Ferrell. There was a nice gathering of friends and relatives and a very pleasant time. The bride was beautifully attired in cream albatross, trimmed with lace and ribbons. The bridegroom wore a nice suit of black. The bridal party went to Mr. and Mrs. W. B. Steele's, at Pounding Mill, at 6 o'clock, and enjoyed a beautiful repast, with a number of the relatives and friends. Mrs. Steele is a sister of the groom, and the table was just loaded with good things to eat and beautifully decorated. Shortly after supper there was a grand serenade in which some forty persons took an active part and were invited in and treated by the hostess.
